

## HACKSHADOW

TOTAL NUMBER OF TEAMS: 60

### EVENT RULES:

1. **Registration:** Registration is mandatory and must be completed through the official process by the given deadline. Incomplete or late registrations will not be accepted.
2. **Team Composition:** Each team must consist of 2-3 members. No changes to team composition are allowed after registration.
3. **Submission Guidelines:**
  - Problem statements will be sent via email after registration.
  - Teams must submit their ideas and solutions to the designated email ID before the deadline.
  - Submissions must adhere to the prescribed format and guidelines.
4. **Evaluation and Shortlisting:** Submissions will be evaluated based on creativity, feasibility, and relevance to the problem statement. Shortlisted teams will be notified via email, and a WhatsApp group will be created for communication.
5. **Final Presentation:** Shortlisted teams will present their ideas to ZF personnel. Evaluation will be based on originality, technical feasibility, and impact of the solution.
6. **Prohibited Activities:** Any form of malpractice, including plagiarism, cheating, or unauthorized assistance, will lead to immediate disqualification.
7. **Equipment:** Teams are expected to bring their own laptops, smartphones, and internet devices. However, the use of such devices may be restricted as per round-specific guidelines.
8. **Time Management:** All participants must strictly follow the time limits set for each round.
9. **Decisions:** The decisions of the organizing committee and ZF Wind Power Coimbatore Ltd., personnel regarding scoring, winner selection, and disputes will be final and binding.
10. **Safety and Conduct:** Participants must comply with all safety instructions and behave professionally throughout the event.
11. **Personal Belongings:** Participants are responsible for their own belongings and equipment; the organizers will not be liable for any loss or damage.
12. **Acceptance:** By registering and participating, teams agree to abide by all rules and any additional instructions provided by the organizers.

### TERMS AND CONDITIONS:

Winners that are selected in the Hackathon will be eligible for an industrial visit with the ZF Wind Power Coimbatore Ltd., company. During the industrial visit, participants will also have the opportunity to attend the company's HR round. Candidates who successfully clear this HR round will be offered to get a chance of internship opportunities with the company.
